### THE LATE MR. PETERSON.

Funeral Services Held in San Francisco Over the Remains.

The following account of the funeral services of the late Arthur P. Peterson is compiled from San Francisco papers and republished by request.

A large circle of Hawaiians, friends and brethren in exile, assembled in the undertaking parlors of Martin & Morrison, 118 Geary street, on March 19, to attend the funeral services over A. P. Peterson, ex-Attorney-General of Hawaii, who died at the California Hotel Saturday evening. The services were conducted by Rev. C. O. Brown, pastor of the First Congregational Church. After the singing of a hymn, Mr. Brown read a chapter from the Scriptures, and delivered a short but touching funeral address. The preacher read a biographical sketch of the deceased. He then said:

"As regards the political sympathies of him who lies dead before us, there is a difference of opinion, as there must always be in all earthly things. This much may be said: He was honest and sincere. He has gone to meet the great and eternal King, who judges all with the judgment that is eternal justice."

The casket containing the dead was profusely and beautifully decorated with flowers. There were calla lilies, a large wreath of violets, heliotropes, a bunch of Eastern lilies, a wreath of smilax, pinks and a sheaf of wheat.

The following friends, all of whom are or recently were residents of Honolulu, were present:

C. W. Ashford, Charles Creighton, W. H. Corwell, Consul Charles T. Wilder, G. W. Macfarlane, Fred W. Wundenberg, H. A. Judd, Mrs. Laine, Mrs. Brown, James Brown, Mrs. Waterbury, John Oat, Mrs. Oat, Mrs. T. King, Mrs. H. Berger, Master Berger, Thomas King, Jr., Mr. Mahone, Mrs. R. J. Creighton, Miss A. M. Creighton, Mrs. W. M. G. Ford, Mrs. H. McGraw, Peter Camarinos, H. von Werthern, T. F. Kennedy, R. H. Hug, W. H. Aldrich, C. Klemme, H. F. Hebbard, J. Radin, Miss Bromwell, H. L. Gear, George Gear, Mrs. H. L. Gear, Mrs. G. D. Gear, James A. Fuller, G. W. Shultes, A. Savage, Mrs. Captain Hubbard, George Fink, John Leroy, and Arthur White.

### CURFEW LAW REVIVED

Children of Stillwater, Minn., Must Leave the Streets at 9 p. m.

The famous Mosier ordinance, providing that all children under 16 years of age shall leave the streets at 9 o'clock, when curfew rings, has gone into effect at Stillwater, Minn., and is rigidly enforced.

Any child found on the street after 9 o'clock is compelled to give a good account of him- or herself, and if not the child is taken either home or to the city jail, and parents notified that they must aid in enforcing the ordinance thereafter. Some boys are so venturesome that they remain out after the bell has tolled just for the purpose of tantalizing the officers, but several of them have come to grief and to the lockup. The ordinance has operated very satisfactorily in the city thus far, and that other cities throughout the state can see the good results of the movement is demonstrated by the number of applications received from everywhere for copies of the ordinance and for short sketches of how it operates.

## National Cane Shredder

PATENTED UNDER THE LAWS OF THE HAWAIIAN ISLANDS.

Mr. John A. Scott, Manager of the Hilo Sugar Company, gives the following wonderful record of the working of the NATIONAL CANE SHREDDER, which was erected by their works at the commencement of the crop just harvested:

"During the past week the Hilo Sugar Company's mill exceeded any of its former records by closing the 125 hours grinding with an output of 3000 tons. This is fully 10 percent more than the best work of former years."

"The three roller mill being 26 in. by 54 in. and the two roller mill 30 in. by 60 in. The first mill doing this amount of work in an efficient manner and with great ease, compared with work on whole cane, owing to thorough preparation of the cane by the National Cane Shredder, recently erected by the Company."

"And by its use the extraction has been increased from 3 percent to 5 percent on all kinds of cane, and in some cases 80 percent has been reached; the average being 75 to 78 percent, according to quality."

"I continue to find the megasse from shredded cane better fuel than from whole cane."

"The shredder has been working day and night for seven months and has given me entire satisfaction, having shredded during that time about seventy thousand tons of cane, and a large part of it being hard ratoon."

"The shredder and engine require very little care or attention."

Plans and specifications of these Shredders may be seen at the office of
